Gregory, Thomas, Coreahan, O'S.B.
 Boston, New York, 1941

 The Good, July 11, 1964
 The February 24, 1960

I want to say something to all of you who have become the fabric of my life. The color and texture which you have brought into my being have become a song and I want to sing it forever. There is an energy in us which makes things happen. When the paths of others' persons touch ours, and we have to be there and let it happen. When the time of our particular sunset comes, our thing our accomplishment won't really matter a great deal. But the clarity and care with which we have lived for others will speak with vitality of the great gift of life we have been for each other.

Gregory Coreahan, O.S.B.

Founders of the College Union and Campus Ministry. Dr. Gregory touched on all aspects of college life. From the beginning of Ripples, to the College Union Board, to just walking around campus. He had direct interaction with the faculty, staff, and students and their personal and private lives.

So This Is College?

Casino night hasn't even started and the Club Fair seems to have drained the energy from Marilyn Albrect.

Well look, who's reaping in the chips during Casino night? Cornelia Paszt! Shorts and T-shirts are the popular attire for the Club Fair, as exemplified by Billy Trinidad, Jonathan Axtell, and Rich Sutter.

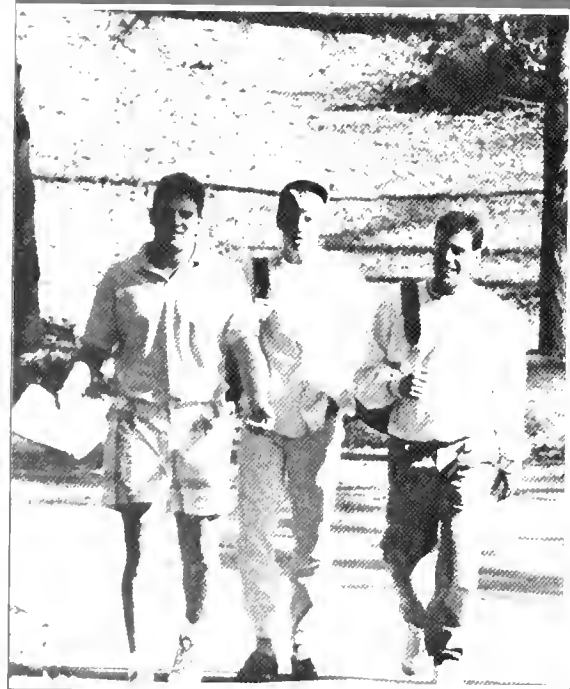

Curious onlookers want to play the game too!
Casino night seems to be a success for everyone

First things first. Moving in was the first item on the agenda for Susan Ford.
Tight Squeeze. Tad Hixson looks like he's having a tough time holding the air conditioner while David Toomer just smiles at Tad's difficulty.

celebrate a lifetime of memories. The balcony is always
the perfect place to be with friends, or just alone, and peace of
mind is a great reward.

Hugo Havoc

God's hand seems to have played a big part in keeping the grotto safe from falling trees and debris.

Ripped-apart trees were commonplace after Hugo passed through the Abbey.

The devastating power of Hugo, which shocked the East coast, can be seen in the remains of what was once one of the largest trees on campus.

Hugo left nothing untouched, not even the monastery
When was the last time we swept the alley behind the monastery?

Oh, oh! Looks like a bunch of people are in for a big shock when they see what Hugo did to their cars. This tree couldn't withstand Hugo's force either.

After Hugo, Abbey Lane and the front of the college looked more like a war zone rather than a campus.

The Virgin Mary's statue in front of Robert Stowe Hall was decapitated during Hugo's fury. Shame on you, Hugo!

Hugo Havoc

It's rainy, windy, and a big chilly outside. What are these weird people doing outside playing in that gigantic mud puddle? They must be college students.

Abbey Soccer 1990

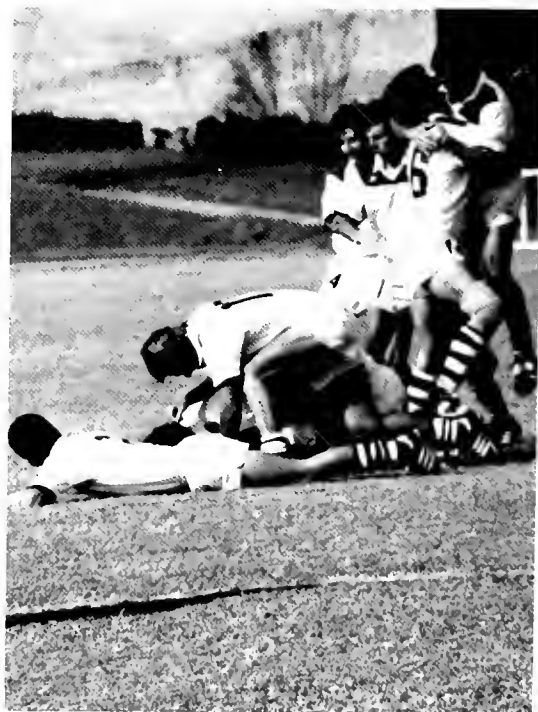

When the 1989 Belmont Abbey soccer team began the season with the intention of recording a winning season, they meant business. The result? The most successful season in the history of the College with a number of "firsts" and honors and awards along the way.

The Abbey team, under the leadership of five-year coach Robbie Church, finished with a record of 20-4 and began post season play by winning their first VIII Championship in Philadelphia by defeating Holy Family 5-1 in the semi-finals and the NAIA National Champions, West Virginia Wesleyan, 4-0 in the Area Finals. Belmont Abbey became the first team from North Carolina in the last fifteen years to advance to the NAIA National Soccer Tournament held in Las Cruces, New Mexico.

It was a season marked with highlights. The Abbey opened the season with a hard fought 2-1 victory over Division One rival Davidson College. The soccer team then took to the road for their Florida Trip. Their first game, against the College of Boca Raton, was a hard physically fought match. But it would be 11 games later before the Crusaders would taste defeat again. During the eleven game winning streak, the Crusaders would defeat Barry University, Carolinas Conference rival High Point College in overtime, and record a come from behind win against District 26 rival Catawba in overtime.

The Crusaders finished the regular season with a record 14-2, Carolinas Conference record of 6-0, and District 26 record of 13-0.

For all of the team's hard work, dedication and tireless efforts, they were lavishly rewarded with almost every award imaginable. The Abbey received every award in the Carolinas Conference and District 26; All-District; All-Carolinas Conference; All-American; and All-South. Coach Church tallied a total of five coach of the year honors including the National Soccer Coaches Association of America National Coach of the Year.

Fall With The College Union Board

Friends forever — Chris Brady

Clueless wonder!!!

Thanks to the College Union Board, there was always an event to attend. Movies, dances and trips into Charlotte kept student life from being so monotonous. And those concerts! Whether it was Reggae or Chris Brady, the Abbey students had a blast hanging around campus for a cookout on the Quad.

Even Hugo didn't shock the Board much. With the Haid unavailable, movies were held in the Science Auditorium. Even Chris Brady came again and sung at twilight to help the Hugo victims. There, scatters of students sang along to "American Pie" to end of the last outside concerts. Through it all, the Board always seemed to know how to keep the Abbey electrified.

The Senior Class officers are in charge of all activities pertaining to seniors. They plan any social gatherings and help make preparations for graduation. This year, the Senior officers were: Elaine Blake, President; Alison Archer, Vice President; Dawn Scacco, Treasurer; and Vicki Klemczak, Secretary. These girls worked all year to ensure that things ran smoothly for their classmates. Countless hours were spent in weekly meetings. These officers, or the "cool girls" as they call themselves planned the first annual Senior Disorientation Day. Also, they planned "Senior Week" which took place from May 7-11. The Senior class officers are definitely the backbone of the Senior Class.

Few individuals at Belmont Abbey College possess the spirit and pride in the manner as does Stanley J. Dudko. Not only has he been active as an instructor, Mr. Dudko has also committed himself to the student body as a coach and a moderator.

Mr. Dudko, born in Rowno, Poland, came to the Abbey as a student. Aside from academic excellence, he quickly gained recognition as an outstanding athlete. Mr. Dudko was captain of the soccer team as well as the Most Valuable Player in 1959.

After graduating from the Abbey in 1960, Mr. Dudko attended Auburn University where he concluded his graduate work. Before returning to the Abbey as a full-time instructor, Mr. Dudko taught at Charlotte Catholic High School and at CPCC. Few people know how many articles by Mr. Dudko have been published in magazines and newspapers, such as *The Belmont Banner*.

Aside from teaching, Mr. Dudko was named the B.A.C. soccer coach in 1967. His soccer teams always had winning records. Mr. Dudko was named Coach of the Year in district 26 of the National Association of Intercollegiate Athletics nine times.

Currently, Mr. Dudko is the moderator of Pi Gamma Mu, and international social science honor society, Circle K, and the International Students Association. Mr. Dudko truly exemplifies a loyal Belmont Abbey individual.

Enthusiastically, Mr. Dudko assists Tim Murray in finding his next station at registration, 1989.

"Fr. John goes beyond his teaching expertise and introduces friendship into his classroom, which enables him to reach out to his students."
